Behavioral Health Housing Needs Survey

FINDING HOUSING IS HARD FOR EVERYONE

And for people who have a behavioral health condition (mental health or substance use disorder), adequate and safe housing can be even harder to find, secure and keep.

If you have a behavioral health condition, please take our housing survey to help set future housing priorities for funding in Baker County.

The survey will close May 31, 2022.

Survey hard copies available at:
New Directions Northwest,
Baker County Veterans Office,
& City Halls throughout Baker County

IF YOU ARE IN CRISIS AND NEED IMMEDIATE HELP

PLEASE CALL THE 24-HOUR NEW DIRECTIONS CRISIS LINE AT: (541) 519-7126

If you need help completing the survey, please call or email us at:

Andi Walsh, awalsh@ndninc.org, 541-523-2517

Sara Haynes, shaynes@farallonconsulting.com, 541-523-5170

Why? OHA will allocate \$130 million to fund housing projects throughout the state for people with behavioral health service needs. Funding will target priorities established by communities, such as the Baker County Behavioral Health Housing Task Force.
